

The Art Circle Public Library is pleased to have students' artwork on display from the Cumberland County School System during the months of March and April. In March, works from Brown, Homestead, North, Pleasant Hill, Stone Elementary and SMHS will be highlighted, while April will have Crab Orchard, Martin, Pine View, South, CCHS and Phoenix on display.

You are encouraged to come and view the results of the students' and teachers' efforts and to congratulate those you know who have worked so hard!
